Thank you so much for your kind donation! 

"This is a 'pay it forward' fundraiser to commemorate Christopher aka "Mongo" who died unexpectedly from a heart attack. He was a welcoming soul whose hugs and smiles brought joy to everyone around him. Mongo was one-of-a-kind that had an intuition to when help was needed he showed up! This fundraiser allows us to honor his legacy by giving back to charitable causes near to Mongo's heart & helping those who "Live Like Mongo" by providing scholarships. Please let us know if you have any questions, and BIG THANK YOU to EVERYONE who loves our brother and stepping up to help us remember HIM always" -Christie Jones
